Neil Orchard Senior Activities Center

Put a Little Spring In Your Step!

I recently heard someone say that January and February have felt like a long year! Though it has only been a couple of months, they have been packed with non-stop fun here at the Senior Center, and will continue to do so as we quickly approach March.

Last month, we celebrated **Valentine's Day** and were able to give out valentine's cards and chocolate to all our members; the sweethearts of our center. We also had our big **Mardi Gras Party**, featuring delicious New Orleans cuisine and live music from the Moon Glow Band.

This month, we're excited to introduce several **new classes**, including **ukulele**, **art**, **cooking**, and our **FREE Arcade Class** for members! Come play **Wii bowling** or try out our new **virtual reality goggles**, where you can explore different countries, landmarks, and national parks—all from the comfort of your chair. Look inside for more details!

You won't want to miss our **St. Patrick's Day** event on **March 12th**, where we'll be serving traditional corned beef and cabbage, with the Moon Glow Band returning to perform.

A huge **thank you** to everyone who contributed to our canned food drive! Although we fell about 75 cans short of winning the pizza party, we were still able to provide food for those in need—and that's what truly matters.

If you haven't registered for our **FREE Senior Resource Fair**, be sure to sign up! We'll have wonderful resources, live performances, and a free meal for those who register and complete their event passport.

We look forward to another great month with you all!

STAFF HIGHLIGHT: LARA NALL

Lara has been a valued member of CRPD and the Neil Orchard Senior Activities Center since 2021. She enjoys seeing members make new friends and discover new interests within our programs.

Her favorite color is purple (Go Kings!), and while she doesn't have pets of her own,

she has a soft spot for cats. As an ice cream enthusiast, she would be heartbroken if she could never enjoy a scoop again. Outside of work, Lara enjoys reading, cooking, weightlifting, and watching horror movies.

One of the items on her bucket list is to visit every Disney theme park around the world.

When you get a chance, stop by her office and say hi!
