What is the HYDE Out After-School Teen Center?

The HYDE Out After-School Teen Center is a safe, alternative afternoon space for teens within the CRPD's boundaries to develop social skills, discover new talents, encourage civic engagement, make new friends, and create positive lasting memories. Teens will have access to laptops (for homework), and structured and designated times to play in the game room.

Registration

The HYDE Out After School Center is offered to middle school and high school students from 6th to 10th grade. The center is open to both residents and non-resident teens at a low cost. Registration is available by completing the registration information found at the back of this packet and submitting it to the Hagan Community Center or emailing the forms to Courtney, constot@cordovarpd.gov. Information collected includes, but is not limited to emergency contacts, medical information, and other relevant behavioral and health information. Please understand that until this paperwork is complete and turned in and until payment is made your child will not be able to attend.

Photos may be taken of the program for publication in our recreation guide, social media, website, and other promotional use.

Checking In/Out

When entering the HYDE Out and before participating in any activities, teens will be required to sign in at the desk using their HYDE Out membership ID. Anytime a teen leaves the HYDE Out, they will be required to sign out and check out with a staff member. If the teen has membership forms on file, they are welcome to drop in during operating hours, which are after school (including minimum days and early release days) until 6 p.m. HYDE Out members can check themselves out of the program at their discretion.

Staff will pick up teens at the Riverview STEM Academy and Mitchell Middle School and transport them to the HYDE Out. Depending on the number of participants each day, multiple pick-up trips may be needed. If you are requesting transportation for your teen, there may be times when your teen is unattended on the school campus while waiting for the van to return.

HYDE Out closes at 6 p.m. All participants will be asked to sign out and leave the building at 6 p.m.

Technology Use

Laptops may be available during designated times and spaces to allow participants to check out for homework and structured HYDE Out activities. All participants who wish to use the laptops must return the attached technology agreement, signed by both the teen and their parent/guardian. Upon returning the form, teens will be allowed to check out a laptop and access the internet, including Google Classroom and Google Drive (access to google docs, sheets, forms, slides, etc.) during the designated time and when scheduled by staff for HYDE Out activities. Laptops are only available for structured activities, or homework and are not available for personal internet browsing. Our laptops were generously donated by the Community Enhancement Grant provided by the City of Rancho Cordova, Measure H funds in 2019.

Health Policies and Recommendations

Teens with allergies, medical conditions, disabilities, or other pertinent health-related information must include this information on their Child Information Form. Please email Courtney constot@cordovarpd.gov with any questions or concerns.

Please help us by only sending a healthy teen to the program. If your teen is sick the night before with flu-like symptoms (fever, vomiting, diarrhea, chills, etc.) please keep them at home a full 24 hours after symptoms subside to give them enough time to recuperate before returning to the program. If your child stays home from school for illness they cannot attend the HYDE Out program that day. The CRPD reserves the right to contact the teen's grownup for immediate pick up from the program for any teen showing signs or illness.

If your teen is exposed to lice, COVID-19 or any communicable disease such as pink eye, measles, chicken pox, etc., please notify the site immediately so that incubation dates are verified, and the health of all teens concerned may be protected. Names of sick teens will not be provided to parents. Only the type of illness, possible symptoms, and exposure dates will be given to parents. This is a courtesy to every parent to alert them of any illness their child may have been exposed to. It also helps to reduce the risk of the spread of communicable diseases to ensure every child's health and safety. Some conditions that are contacted through person-to-person contact may require a doctor's release before the child returns to the program. We want to keep you as well informed as possible and ensure every teen's health and safety while participating in our program. The HYDE Out will follow any guidelines required by the state of California and the County of Sacramento when it comes to COVID-19 or other communicable diseases.

Medications

Teens who take medication during program hours should bring it in a container inside their backpack. The container should be labeled with the child's name and the medication MUST BE LABELED with the teen's name and content. Teens can be reminded to take medication, but they are responsible for doing so. Teens with life-threatening conditions such as asthma, food allergies, or bee sting allergies should always keep their medication with them. The medication portion of the Child Information Form must be completed for teens taking or carrying medication while at the program. Staff cannot administer or hold onto participants' medication.

We will make every reasonable effort to comply with the Americans with Disabilities Act. If your child requires accommodation, please call us in advance at 916-369-9844.

Program Expectations

We have a few rules to keep teens, staff and our facilities safe. Please review with your teen prior to the start of program:

- Follow directions; listen to, respect and cooperate with HYDE Out staff, fellow participants and others
- Respect the park, animals, facilities, equipment and supplies
- You must wear shoes at all times in the program
- Do not bring toys or valuables from home, we are not responsible for lost, damaged or stolen belongings including electronics
- No sharing of food with students or staff
- Agree, follow and sign the HYDE Out Code of Conduct

Student Behaviors

Teens and grownups are required to sign a Code of Conduct at the start of the program. HYDE Out staff are onsite to engage and interact with participants, monitor activities and handle behavior issues. Inappropriate behavior will be addressed promptly. The situation will be discussed by the staff and the teen(s) involved. The grownups of the teen may be contacted. Behavior management at the HYDE Out will be administered with firmness, fairness and consistency.

The following format is used:

- Staff will use verbal warnings if a teen is not following general rules, staff will document the warning.
- Three Strikes - If after a verbal warning is issued, or if the behavior is severe enough, staff will issue a "strike" to participants.
 - 1st Strike: Parent/guardian will be contacted, and teen may be removed for the day. A behavior report will be documented which the parent/guardian will be required to sign before their teen returns to the HYDE Out.
 - 2nd Strike: Parent/guardian will be contacted, and teen will be suspended from the program for one day; a second behavior report will be documented and required to be signed prior to their teen returning to the HYDE Out.
 - 3rd Strike: Parent/guardian will be contacted, and teen will be expelled from the program for the rest of the school year.

Consequences may include the loss of HYDE Out privileges including activities or special events. If the teen is a danger to themselves or others or is interfering with the program, the parent/guardian will be asked to pick them up from the facility immediately.

The following behaviors may result in the immediate removal and expulsion of the teen:

- Fighting (hitting/punching/kicking another participant, regardless of reason, or who hit first)
- Physical or verbal abuse or lying to a staff member
- Direct abusive/obscene/profane language/gesture or behavior to other teens and/or staff
- Vandalism to CRPD or to another teen's property

If a teen becomes aware of any potentially dangerous and/or illegal situations regarding weapons, drugs alcohol, fights, property damage, theft, etc. or has information regarding such, they are requested to report it to a staff member immediately.

Cell Phone Usage

Cell phones are permitted at the HYDE Out; however, the HYDE Out is not responsible for any lost, damaged or stolen items. There may be set "no-power hours" where teens will not be granted access to their phones, as well as times staff ask for phones to be put away for games and activities. If you try to reach your teen on their cell phones and they do not answer, you are encouraged to call the HYDE Out at **916-382-8566** to get in touch with them.

Interpersonal Relationships

Appropriate personal relationships are encouraged. The HYDE Out policy is one of "hands-off." Holding hands, arm in arm, sitting on laps, hugging and kissing are not appropriate while at the HYDE Out. Sexual harassment will not be tolerated.

Dress

Teens at the HYDE Out are expected to follow the Folsom Cordova Unified School District's dress code while attending the program.

Arrival from Mills Middle School

Staff will meet the Mills Middle School students at the flagpole on the first day of the program to walk them to the HYDE Out. After the first day, students will walk to the HYDE Out and check in with staff once they arrive. Participants are asked to walk the new sidewalks on Coloma Road and Chase Drive on their way to the HYDE Out.

Teen Express

HYDE Out staff will transport students who are signed up for the Teen Express from The Riverview STEM Academy and Mitchell Middle School. Parent/guardian must submit the Teen Express contract prior to their teen riding in the CRPD vehicle. We can only provide one driver who will shuttle students from school to the HYDE Out. Students are required to check in with the driver and wait at the designated spot until the driver returns and it's their turn for transportation.

Teen Express privileges may be lost for those who do not follow the Teen Express rules or are disrespectful to staff, other participants or the vehicle.
