

# Swim Attire Guidelines

The Cordova Recreation & Park District (CRPD) Swim Attire Guidelines have been established in order to ensure the cleanliness of the pool. If possible, patrons should wear attire designed for water activities. Patrons should not wear clothing that is excessively heavy, excessively loose or made of absorbent material. Please always rinse off in the showers prior to entering the pool.

This policy is intended to be as inclusive as possible. If you have questions regarding this policy, please contact the aquatics management team.

**Have fun and  
make a splash!**
